# TUM e-mail address

- It is very important that you set up a TUM E-Mail address and select your mailbox, because you receive important information via this address
- „Nur Weiterleitung“ means forwarding e-mail address
- We recommend to use the TUM mailbox (Exchange)

The image shows a web form for configuring incoming email addresses. It includes several sections with annotations:

- E-mail addresses (incoming)**: A section header.
- Adresse**: A field for the email address, with a dropdown menu showing '.maus' and '@tum.de'. A red box highlights the entire input area, and an orange box labeled 'Choose e-mail address' is placed above it.
- Eingabe - Adresse**: A sub-section header.
- Momentane Adressen**: A list of current addresses, including '437DE892ED99C74' and 'gu27cat@mytum.de'. A red box highlights the 'gu27cat@mytum.de' entry, and an orange box labeled 'TUM ID' is placed next to it.
- Zustellung an**: A section for delivery options, with radio buttons for 'Nur Weiterleitung' and 'TUM-Mailbox (exchange)'. The 'TUM-Mailbox (exchange)' option is selected. A red box highlights this option and the 'Meine Weiterleitungsadresse' field below it, which contains 'minni.maus@web.de'. An orange box labeled 'Exchange mailbox and forwarding' is placed to the right.
- Meine Weiterleitungsadresse**: A field for the forwarding address.
- Please note:**: A section with two bullet points explaining the implications of the chosen options.
- Further information and help**: A link for more information.
- Sender address (main e-mail address)**: A section for the main sender address, with fields for 'Display name' (Maus, Minnie) and 'Adresse' (Maus, Minnie (minni.maus@tum.de)).
- Bitte beachten Sie:**: A section with a bullet point explaining the display name.

# Exchange mailbox

- You can access your TUM mailbox via **TUMonline** („TUM Mailbox (exchange)“) or via **<https://mail.tum.de/>**
- You can login with your **TUM ID** and your personal **password**

We recommend using your Exchange Mailbox because:

- You can use it everywhere (Notebook, Smartphone,...)
- The TUM e-mail addressbook is available
- Calender option for you and your fellow students

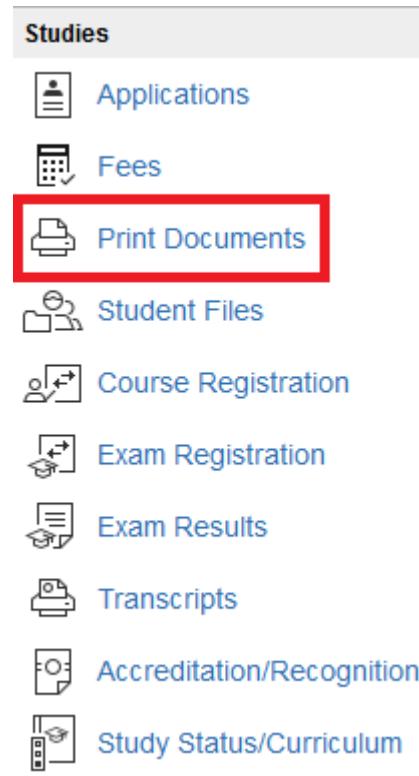

# Personal storage (NAS)

- Personal storage up to 50 GB
- Embedded network device (PC, notebook,..)
- Or enter the storage via TUMonline
- Or via Webdisk <https://webdisk.mwn.de>
- You need your TUM ID and your personal password

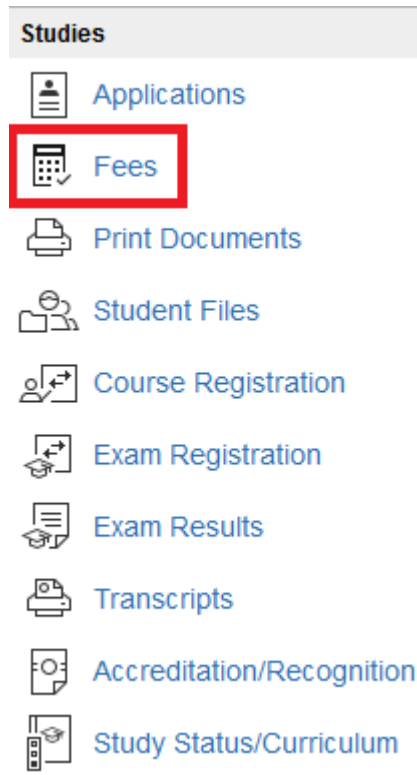

# Course documents

- Enrollment certificate
- Written confirmation for MVV and Deutsche Bahn
- Study progress certificate
- Confirmation about payment

# Fee account

- Amounts paid and outstanding
- Deadlines
- Information on bank transfers

# Study schedule
